We had a very good experience and a fun time as your hard working committee. We had a challenge because of time, but being so creative, we rose to the occasion not just to meet the time schedule but also in donating many items to make this reunion a great success.

We laughed, we cried and we reminisced every time we met. Our desire is that everyone have a wonderful experience reuniting with all our family.

This reunion brought 100 members together. We are sure that Mamá Veva and Papá Chuy are smiling on us today.
